To All Wanting Employment.

We want live, energetic and capable agents in every county in the United States and Canada to s I's pateot article of great merit, on its merits. An article having a large sale, paying over 100 per cent profit, having a competition, and on which the agent is protected in the exclusive sale by a deed given for each and every county he may seeme from us. With II those advantages to our agents and the tact that it is an article that cat be sold to every hense-owner it might not be measured to make as "extra-ordin-roller" to scare pard agents at ench, but we have concluded to make it to show, not only ser condendence in the merits of our invention, but in its saleability by any agent that will handle it with energy. Our ag ints now at work are making-from \$190 to \$900 a morth clear, and this fact makes it safe for us to make our offer to all who are out of employment. Any agent that will give sur business a their days trial and fail to clear at least \$100 in this time, above all expenses, can return all goods unsold to us and we will refund the money paid for them. Any sgent or general sgent who would like ten or more counties and work them through sub agents for ninety days and fail to clear at least \$750 above all expenses "in return all unsold and get their aloney back. No other employer or agents ever dared to make sach offers, nor would welf we did not know that we have agents now making more shan double the amount we guaranteed, and but two sales a day would give a profit of over \$125 a month, and that one of our agents took eighteen orders in one day. Our large descriptive circulars explain our offer fully, and these we wish tr send to every one out of employment who will see, dus three mecent stamps to scare pastage. Send at once and scare the agency in time for the boom, and got work of the terms named in our extraordinary effer. We would like to have the address of all the agent in the country, and as kany reader of this paper who rea st this offer, to send at once the name and good buggy-horse and set of har ness (new).
